

**MARZIA KHAN****STUDENT****P:**01729952375**E :** molimarzu@gmail.com**Profile**

I'm Marzia khan Moli. I am a student Department of Biochemistry & Biotechnology of Barishal University. I am coming from Babuging in Barishal. I am passionate about biochemistry & biotechnology, focusing on the molecular mechanisms of life and how they can be applied on real life problems. I am involved in several clubs related to science & research, such as Biochemistry & Biotechnology club. My goal is to excel in my coursework and gain research experiences. I am so ambitious and self-independent girl. Always like to keep people happy.
